

St Saviour's Weekly Update

Friday 17th January 2025

Dear St Saviour's Families,

It has been another busy week at school: we've had visits to the library, our Epiphany Mass and two workshops for Year 6!

We have also started listening to music from our Musician of the Month, Hans Zimmer. I have attached the Home Information sheet.

Healthy Schools

As everyone is trying to be the healthiest versions of themselves in January, I thought it would be encouraging to share that we have been awarded our Healthy Schools Silver award! A huge thank you to Mrs Fleck who did a lot of the work, and also to Miss Cornelius who got the ball rolling before she left!

Buster

Dimitris is a kind, caring person who shows up for his friends and makes sure everyone is involved and having fun. His personality has shone through and we want to celebrate the growth he has made this year! We are so proud of how he has grown as a learner; his eagerness to explore new ideas and tackle challenges has been fabulous to see and it is clear that his determination and hard work is paying off as he is becoming a more confident, independent learner in Year 1. Well done Dimitris!

Online Safety

Each week, I will send home a guide about an aspect of online safety. This week's guide is all about TikTok.

Attendance

The national target for attendance is 96%. Our overall school attendance for this week was 91.7%.

Year 4 won the Attendance Cup this week with 97%, which is great, especially as there are so many bugs going around at the moment!

Reception 89%; Year 1 94%; Year 2 92%; Year 3 95%; Year 5 96%; Year 6 90%

Please call in to the Office on each day that your child is sick.

Children need to be in school by 8:55a.m. If they arrive after this time, you will need to sign them in and they will be marked as late.

Please have a look at our Attendance Policy, which reflects the new DfE guidance and is on our school website.

Teacher Angel

Miss Hrsto is Teacher Angel this week because she is very kind, joyful and helpful. She is extremely friendly and loves a good chat, especially with Year 5! She is dedicated, conscientious and single-minded. She also has a very positive mindset and outlook on life. She helps to pave the way towards our secondary school experience. We are really happy that she is in our school!

I hope that you all have a restful weekend - wrap up warm!
