

St Saviour's Weekly Update

Friday 12th July 2024

Dear St Saviour's Families,

Thank you so much to everyone who came to the Open House last week! It was a lovely celebration of the children's achievements. Special thank yous go to Miss Hodgson for coordinating the evening, and for reminding us why the arts are so important; to Mrs De Perlaky for helping us to elevate the children's art to the next level; to Marc for sharing his passion for dance; and to the class teachers and support staff who deliver Art or DT lessons every week, who facilitate the enrichment trips and who inspire and encourage the children every day.

The classes will all be sharing performances at the Summer Service so please do come and enjoy!

Dates for this term

Dates will also be added to the 'Events' tab in the ParentMail app and are on the school website.

18.7.24 Sports Day @ Paddington Rec- see ParentMail for details!

22.7.24 Summer Church Service - 2:00pm at St Saviour's. All welcome!

23.7.24 Last day of term- 1:30pm finish

Dates for next term

4.9.24 First day of term for children

Teacher Angel

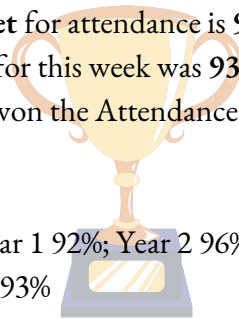

Miss Kent is this week's Teacher Angel because she is great at helping the children with their work and keeping them safe in school. She is always energetic, happy, smiling and laughing - she loves a good joke! She has great football skills which she shares at football club. She is quite simply brilliant and we love having her in our school!

Attendance

The **national target** for attendance is **96%**. Our overall school attendance for this week was **93.8%**.

This week **Year 5** won the Attendance Cup with **98%**. Fantastic!

Reception 91%; Year 1 92%; Year 2 96%; Year 3 90%; Year 4 91%; Year 6 93%

Please call in to the Office on each day that your child is sick.

Children need to be in school by 8:55a.m. If they arrive after this time, you will need to sign them in and they will be marked as late.

Stars of the Week

Nursery - Clara; **Reception** - Sebastian; **Year 1** - Riko; **Year 2** - Charlie; **Year 3** - Elliot; **Year 4** - Emreta; **Year 5** - Victoria; **Year 6** - Jaron

Thank you for being great role models!

Buster

Georgina is taking Buster home today because she is a model of consistency and reliability, always following the rules with a diligence that impresses everyone around her. She is always helpful to the adults in school and her peers. Recently, she has been working exceptionally hard on the school play, dedicating countless hours to perfecting her actions, dances, and lines. Her determination and effort shines through in every rehearsal, making her a standout performer and a source of inspiration in Year 5. We are so proud of you!

There is a bug that's going round at the moment so I hope that if your child is feeling poorly, they are on the mend soon.

Enjoy all the sport that is happening this weekend!

Miss Granite

What Three Questions?

Nursery

What insects can you find in the garden?

Can you practise rolling a dice and saying the numbers as quickly as you can?

What was your favourite part of our day at the park?

Reception

Maths: what is the name of the counting grid we have been using with ten squares?

Topic (Animals and Habitats): what are the two things the Cave Salamander has lost by living in underground caves?

Phonics: what are the different types of suffix we have learnt and can you add them to a word?

Year 1

Maths: Can you write all the number bonds to 20?

English: What are the key features of writing instructions?

PSHE: What are the 3 emergency services?

Year 2

Maths: Can you guess the temperature in different countries right now? (check how close you were!)

English: How many adverbs can you name?

PSHE: How can we be more sustainable with the food we eat?

Year 3

English: What is a subordinate clause?

Maths: Solve this using counting up: $416 - 378$

History: What did the Romans invent that we still use today?

Year 4

Science: Can you provide a definition of the word 'pitch' and describe how it affects sound?

RE: Can you choose one element of Liturgy and explain why it is done?

Maths: Use one of our multiplication methods to answer: $243 \times 7 =$ $347 \times 9 =$ $453 \times 14 =$

Year 5

English: What is the 'drop the e' rule with suffixes? Can you give an example?

Maths: How do you work out 11% of £240?

R.E: What are the 5 pillars of Islam and can you name each one?

Year 6

History: Why were Black people's roles in WW1 and WW2 not celebrated?

Science: What are osmosis and diffusion?

English: What does it mean to precis a piece of writing?
