She is great on the computer and helps to make sure that the school is run properly. She is quite simply brilliant at her job and we love having her here!

## Buster

Buster is going to spend the summer holidays with Caoimhin because he is a truly exceptional person! He has a bright, inquisitive nature and brings so much curiosity and energy to the lessons in his class. The teachers are constantly impressed by his ideas and work ethic. We love having him in St Saviour's and he had such an impact on the class despite only joining in September. We are beyond lucky to have gained such an incredible person!

I hope to see you at the Summer Service on Monday - all the classes will be sharing performances, and we will be reflecting on some of the highlights of the year.

Have a lovely weekend and enjoy the sun whilst it lasts!

Miss Granite
