

St Saviour's Weekly Update

Tuesday 23rd July 2024

Dear St Saviour's Families,

It is hard to believe that another academic year has passed! It's been another busy one and we are so incredibly proud of all that the children have achieved, both personally and in their learning.

Success can be defined and measured in lots of different ways, but one of the measures that is used to decide whether or not schools are successful is pupil outcomes. We know that children are a LOT more than a test result, but we still want to celebrate how well our children have done across the school this year!

We have to assess children at the end of Reception and Year 6 across the curriculum, and also in phonics in Year 1. We are so proud of how well the children did!

Reception: 83% of children achieved a Good Level of Development (national 68%)

Year 1: 93% of children passed their Phonics Screening Check (national 80%)

Year 6: 76% of children achieved the expected level or higher in reading, writing and maths combined (national 61%)

Maths: 81% achieved expected or higher (national 73%)

Reading: 95% achieved expected or higher (national 74%)

Spelling, punctuation and grammar: 90% achieved expected or higher (national 72%)

Well done to the children and to the adults who teach them, and in the case of Year 6, all their KS2 teachers (the tests cover elements of the curriculum from Y3 to Y6!)

**AMAZING
WORK!**

We would also like to celebrate these children for their creative efforts:

Alkmini: Her beautiful painting will be on the walls of the Royal Academy of Arts as part of the Young Artist's gallery this summer. You can visit [free] until 11th August.

Noah E: We're over the moon that Noah's painting has been selected to be included in the Westminster Schools' Art Gallery opening in the Autumn. We'll let you know where once we've had confirmation, then you can hop along and visit!

Kenny: Such an honour! Kenny has been awarded a four year music scholarship by the London Music Fund to support his French Horn and musicianship skills. We are so proud of you Kenny! We can't wait to see your musical progress!
